

Hot off the heels of their first initiative (the 'Don't park on the zigzags' poster competition) our diligent and motivated Junior Road Safety Officers planned their next event.

They invited a special visitor into school - the Seatbelt Sheriff.

Pupils heard all about how important it is to wear a seat belt and, if they were under a certain height, use a booster seat to make sure their seatbelt fitted properly.

Pupils were also excited as the famous Police Interceptors came to visit and brought their car onto the school yard for pupils to see.
