Dear Parents/Carers,

21.01.20

We have applied for a free one month trial on the above app to see if it can help with your child's spelling.

Type app.sirlinkalot.org in a browser. Then click on "Sir Linkalot's code (schools only)" and 'Reid Street Trial' is the username and AANGC5QWJJ is the password. This gives the user access to the whole app on their iPads, mobiles, PCs and laptops.

Your child can then access different spelling lists together with crosswords and games. We would suggest Patient Potter (Level 2) for Years 1 & 2; Graffiti Greene for Years 3 & 4 (Level 4) and Diarrhoea Dickens (Level 5) for Years 5 & 6 however you can access any of the lists on the app depending on where your child feels comfortable.

Please give it a go at home and we will use it for one month in school to see if it ignites their interest and help them ultimately with spelling.

Mrs Stephenson, Mrs Farthing & Mrs Davison (Year 4)
