Dear Parents,

We would like to invite your child to a Number Fun group after school. We know your child is becoming more confident in Numeracy. They will be practising basic skills and learning how to apply what they have learnt to everyday, real life situations. We will also be explaining how we know an answer is right or wrong with examples of our own. We will play games, use the computers and work in teams.

The sessions will start on **Thursday 16th January** and will run each week until half term. The children will stay behind after school and will need to be collected at the ramp in the KS2 yard at 4.15pm.

If your child is able to attend, please complete the slip below and return it to school.

Kind regards

Miss Peverell and Mr Banks
