

## Make a fairy home

# MAKE AND DO

Listen to or read *A Midsummer Night's Dream*. You can read our Short Shakespeare Tale here or go to our Video resources section to listen to a storytelling of the play.

Titania is the Queen of the Fairies and Oberon is the Fairy King. Can you build them a magical fairy home?

You can use natural materials such as leaves, moss, pebbles, petals and twigs found in your garden, window box or an outdoor space near you.

Use your materials to build a perfect little fairy home. Can you create some tiny furniture too? You can add fabric scraps or anything else you wish!
