

Year 6 - Working from home: 1.06.20

Literacy: Read your reading book at least three times a week. Choose a book at home to read that you enjoy. Continue to use Reading Plus to complete comprehensions 3 times per week. Answer the Learning by Questions question sets every day.		Maths: Practise your number bonds and times tables regularly. Complete TT Rockstars online. Work through the MyMaths that has been set or any games you choose.	
Write a poem about your time at Reid Street, memorise it and perform to people in your family.	Write a letter to someone you know to explain what you have been doing whilst we have been off school. Can you send it to them via post? It's nice to receive a letter.	Have a go at the problem solving lesson on the Oak Academy. It will incorporate things you have learned over the last few weeks. https://www.thenational.academy/year-6/maths/fractions-problem-solving-year-6-wk2-5#slide-2	Continue to create your comic strip using the images we have drawn over the last few weeks. Think about the plot for the story. You will have a few weeks to complete this.
Can you turn your favourite childhood book into a comic strip?	Make a fortune teller on SPaG.	Using the sheets attached last week, continue to work on your sign language. Can you sign your name? Try the members of your family too.	
Create a timeline of your time at school. Add dates and any key events that you can remember!	Make some music using musical instruments from around the home. Can you video it as evidence?	Complete the activities on My Maths. Use pen and paper if it easier than using the boxes on My Maths. The focus is on place value.	Use Zumos to have some chill out time and play some games!
Use Sir Linkalot for 10 minutes every day. 	Write a small fitness programme for yourself. Can you challenge yourself to do it everyday?	 Try to complete as many of the 40 acts of kindness grid at home.	Create a science quiz on circuits and ask people in your house to complete it.
