

Year 1 – Working from home grid 29.06.20

Basic Skills Literacy:

Use Oxford Owls to read at least three times a week.

<https://www.oxfordowl.co.uk/for-school/oxford-owl-ebook-collection>

Continue to practise RWI Phonic sounds Set 2 and 3 with Ruth Miskin Phonics on youtube

https://www.youtube.com/watch?v=6eh_RQOPkhg

Play phonics practise games on 'Phonics Play' Phase 3, 4 and 5 <https://www.phonicsplay.co.uk/>
using username: march20 and password: home

Practise reading and spelling red words

Practise 'from the line' letter formations and joins

Read **This is the Bear and the Picnic Lunch** by Sarah Hayes, or listen to Mrs Shepherd read it on our website. Play Roll and Retell – what can you remember?

Basic Skills Maths:

Continue to regularly practise:

- number bonds to 10 and 20.
- counting in steps of 10, 5 and 2.
- doubling numbers up to at least 20 (e.g. $2+2=4$, $3+3=6$ etc)
- halving different amounts (e.g. half of 6 = 3)
- number formation 0 - 9

Use an online splat square to practise number recognition and counting forwards and backwards from any given number. Why not Challenge a grown up to see how quickly they can splat the numbers you give them – how many can they get in 10 seconds? Then it's your turn!

<https://www.primarygames.co.uk/pg2/splat/splatsq100.html>

Literacy – Using Art as a prompt

Whole School Topic - Pirates

Look at the attached document (Once upon a Picture)

Use the picture to **think/talk/write** about:

- Who is this? How do you know?
- What does his appearance show you about his personality?
- What do you think he is looking at?
- Why is he smiling? Do you think he's happy?
- Would you like to meet him? Why? What would you say to him?

Go to

<https://www.onceuponapicture.co.uk/the-collections/the-character-collection/> for more picture prompts

Literacy – Writing/Physical Development

Forming capital letters

Warm up your finger and hand muscles by doing some dough disco exercises (use playdough/ plasticine, blutac, a sponge or anything else squashy and squeazy!)

<https://www.youtube.com/watch?v=BOLR3pQt8zg>

Now grab your pencil and practise your 'from the line' capital letters, using the guide attached. Remember that capital letters are a bit different to the other letters we write in school:

- They are the tallest letters
- You can lift your pencil off when writing them
- They do not start 'from the line'
- They do not join to the other lowercase letters

Numeracy – Subtraction

Complete this week's online maths lessons for Year 1

<https://whiterosemaths.com/homelearning/>

In the News

Personal, Social and Emotional/ Communication and Language

<https://www.bbc.co.uk/newsround/50434875>

Watch a roundup of this week's happy news!

Which bit of news makes you smile the most?

Tell someone you know about it and make them smile too!

Children's Art Week 29th June – 19th July
Local Works of Art

Darlington Library opened in 1885. The Pease family donated many of their own books, photographs and paintings to the collection. Have a look at some [here](#).

Choose your favourite piece and go at recreating it. you do this is up to you can use paint, pencils, collage, felt tips.

have a How you -

Who was the original artist? Can you find out some information about them?

Children's Art Week 29th June – 19th July

Vincent Van Gogh is one of the world's most famous painters. Find out some information about him and his paintings [here](#).

Can you create some Van Gogh inspired pieces of art?

Why not ask your family to create their own piece – you could compare them and hang them up to make your own art gallery!

Follow the instructions below and have fun creating!

Children's Art Week 29th June – 19th July

Read the story **The Day the Crayons Quit** by Drew Daywalt and Oliver Jeffers, or listen to Mrs Shepherd tell it via the link on our website.

Look at the picture Duncan has created at the end of the book.

What colours can you see?

What is your favourite part?

Can you create your own picture using colours in unexpected ways?

Children's Art Week 29th June – 19th July
Make a Toast Sculpture

Follow the instructions below, provided by sculptor Josey Scullard.

What can you make out of toast?

For more creative ideas using everyday objects in art, read extracts from Laura Carlin's book **A World of Your Own** [here](#).

Topic – Darlington

Art and Design

As it is the beginning of **Children's** art week, we are looking at a local piece of art. Have you seen this sculpture before?

Use the internet to search for more images of 'Darlington Brick Train' – a sculpture by artist David Mach.

Think/talk about:

Do you like the sculpture? Why?

What is it made out of?

Is the object manmade or natural? What about the material?

Why do you think the artist chose a train for Darlington?

Have a go at creating your own version of another manmade object or human geographical feature. You could use sticks, stones, bricks, clay - anything you want or can find!

Try to link your piece of art to Darlington or the place you live.

Literacy/PE

Supermovers alphabet

Practise the order of the alphabet by singing and dancing along with the Supermovers

<https://www.youtube.com/watch?v=jYeMpUdufNk>

Challenge:

Help Roy the Zebra to put words into alphabetical order.

<https://www.roythezebra.com/reading-games/alphabetical-order-1.html>

Topic – Darlington

Geography

Last week you looked at the difference between physical and human geography.

Can you sort the pictures of Darlington into physical and human features? (follow the link for the attached document).

Look carefully - some pictures might show both!

If you are out for a walk, a drive, or even just looking out of your bedroom window, see what other examples of physical and human geography you can notice.

Why do you think Darlington has a lot of human geographical features?

In the News

Personal, Social and Emotional Development

https://www.youtube.com/watch?v=A18ox2bX_rQ

Watch the Duchess of Cambridge's Oak Academy Assembly on the **Importance of Kindness**.

"Treat people how you want to be treated"

The children the Duchess chats to have some great ideas for how to be kind and considerate to family and loved ones.

Think of one act of kindness that you could do to help your family or someone else you care about. Do your act of kindness as often as you can across this week to spread feelings of happiness and wellbeing.

Roll a Van Gogh

You will need...

- dice
- paper
- penCil
- COloured penCils/ felt tips/ paints/ Crayons

Roll the die and use the table to help you draw your own Van Gogh inspired work of art.

Each time you roll, a different part of the picture can be added to your drawing.

The number you roll tells you what to add.

Try playing with a member of your family – how are your pieces different?

Add patterns and lots of COlour to Complete your art.

Have fun!

What you need:

10 bags of sliced bread for a class of 30 (or 6 slices per person) made into toast. Look out for bread that is on offer because it's close to or past its sell by date, stale bread works best and means you don't waste edible food. You can toast the bread the day before if necessary, but quite lightly so it stays flexible (darker toast goes too hard). If possible have a toaster in the classroom to make more toast as needed.

10 tubes of cocktail sticks (for 30 children)

Dinner knives and scissors for cutting

Pastry cutters and bottle tops, for making shapes

Golden syrup (optional for tricky, sticky builds: use sparingly for emergencies - 1 bottle per class)

Steps to create:

1. Spend a few minutes sketching your ideas. You don't have to stick to your plans but it's good to have a starting point. You can draw anything you like, you can make the decisions. What shape would the houses in your made-up world be?
2. Start with about four pieces of toast; you can cut them into a smaller size or join them together to make larger walls.
3. Try to think beyond the average size and shape of a piece of toast; is your building long and thin, or round and squat?
4. Try bending the toast to make curves and twists, or cut it into small pieces for bricks, steels, beams or cladding.
5. You could use pastry cutters or bottle tops to cut windows and doors; they don't have to be squares and rectangles, they can be circles or hearts!
6. Attach the toast together by pushing cocktail sticks through both pieces. Snip off the ends of the sticks if they are poking out if you wish. Flat pieces could even be stuck on with a little golden syrup, but use sparingly.

Think/talk about:

What did you find tricky about this?

What shape is the easiest to make out of toast?

What challenges did this material present?

What other foods might you use to Create art?

7. This project can be as complex or as simple as you wish. You can make just one thing, or a whole scene; a cityscape, a village or just a few buildings dotted around a landscape.

9. See how simply Laura Carlin has added people by drawing a face on things she had lying around, like a peg or a drinking straw. Draw a person, place them on an old comb or nailbrush or anything you like!

8. Use anything you have lying around: cardboard is perfect for making shops or houses for backgrounds; all you need is a little paint!

10. You have made a world of your own out of toast and everyday objects. You can eat the toast now if you like; but maybe it's better to photograph it!

Year 1 / P2 online lessons
