

Here is some data which tells you which chocolate bars some of the staff at Reid Street School like the best:

Mrs Robson: Wispa

Miss Peverell: Wispa

Mrs Brown: Mars Bar

Mrs Read: Wispa

Mrs Shepherd: Snickers

Mrs Whitfield: Snickers

Miss Reid: Mars Bar

Miss Armstrong: Wispa

Mrs Watson: Snickers

Mrs Jones: Wispa

Mrs Nevson: Boost

Miss Bond: Mars Bar

Miss Taylor: Snickers

Mrs Ward: Snickers

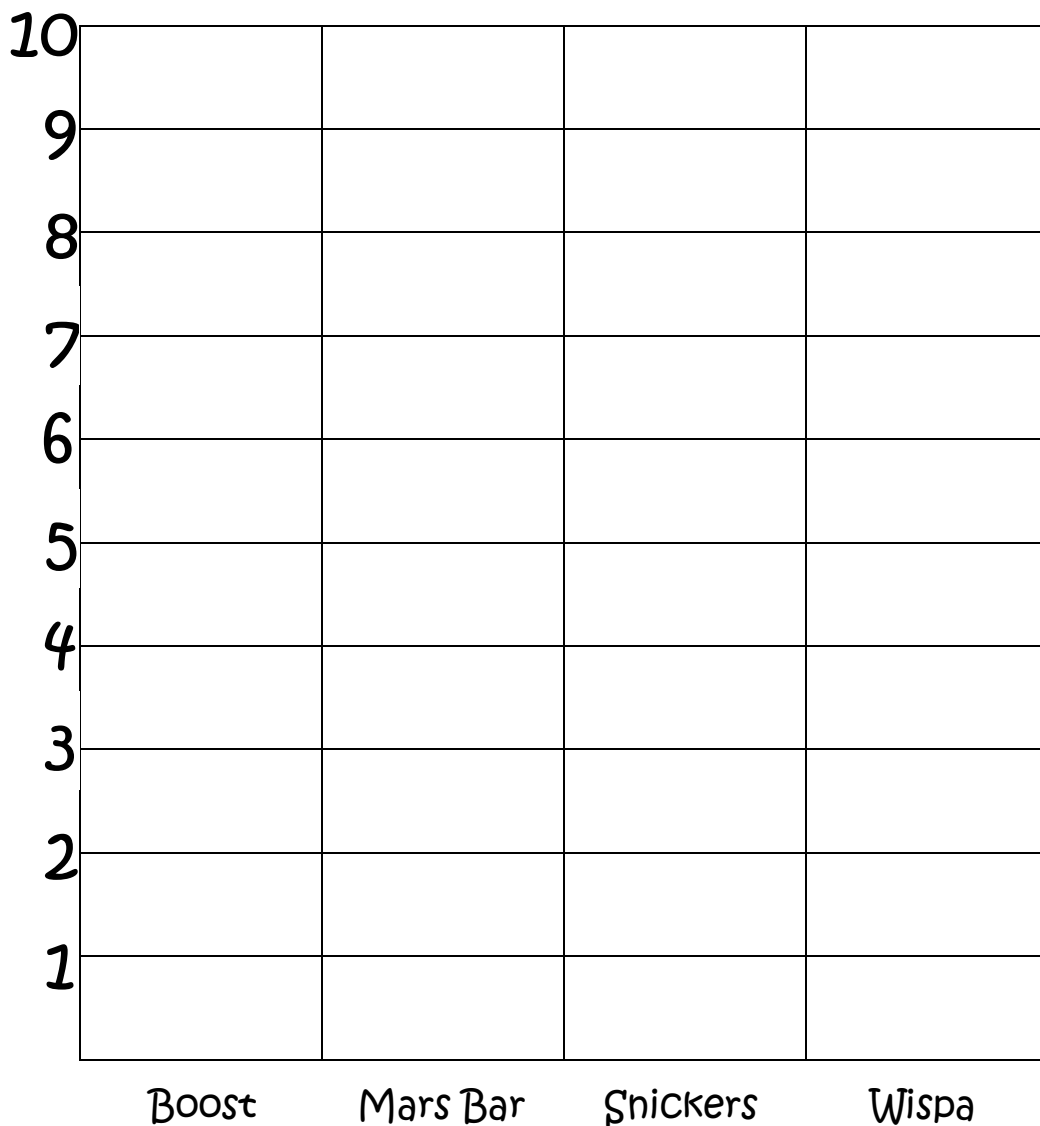

Mrs Banks: Snickers

Mr Lazenby: Snickers

Can you collect this information and present it in a tally chart?

	Tally	Total
Boost		
Mars Bar		
Snickers		
Wispa		

Use the data from your tally chart to create a bar chart.

Use the data to answer these questions:

Which one is the most popular?

Which is the least?

Are any of them equal?

What is the difference between the greatest and the least?
