

Working from home: Year 4 22.06.20

Basic Skills Literacy:

Use Oxford Owls to read at least three times a week.

<https://www.oxfordowl.co.uk/for-school/oxford-owl-ebook-collection>

Practise Spellings -

Log in to <https://app.sirlinkalot.org/>, Choose the level you feel comfortable with and learn three spellings each day. Ask a family member to test you on them.

Basic Skills Maths:

Practise number fact families

<https://www.topmarks.co.uk/number-facts/number-fact-families>

Complete TT Rockstars online

Literacy

It is **National Writing Day** on Wednesday 24th June. Take part in the **#247 National Writing Day Challenge!**

EVERYONE can write creatively!

The #247Challenge is a quick, fun and easy challenge to get your creative juices flowing!

The Challenge has **three simple rules:**

1. Write a story or poem in 24 words.
2. Start with the words 'One day'.
3. You only have 7 minutes to write!

Visit [youtube](https://www.youtube.com/watch?v=8j8j8j8j8j) for author Mark Haddon's guide.

Literacy

National Writing Day

Write a poem about a thing that you really love...

<https://literacytrust.org.uk/family-zone/9-12/write-poem-about-thing-you-really-love/>

Use this site to download instructions on how to write your own poem – about anything you want! With Simon's help, you can write the first draft of your own poem in as little as 10 minutes! See below for the attached links.

Numeracy

Identify obtuse and acute angles

Work through the lesson on the Oak National Academy to discover more about obtuse and acute angles. There's a video, a worksheet and a quiz to complete.

<https://Classroom.thenational.academy/lessons/shape-and-symmetry-to-identify-acute-and-obtuse-angles/activities/3>

Numeracy Quiz Time

Take part in some calculations maths quizzes.

Can you get 10/10?

National picnic week 22-28th June

Watch <https://vimeo.com/128988065>

Think/talk about:

Your favourite place to have a picnic-

Why is it your favourite?

How often do you go there?

Who do you go there with?

How do you get there?

What is your favourite food to eat on a picnic?

Draw a picture or write a short paragraph about your favourite place to have a picnic.

National picnic week 22-28th June

Why not organise a family picnic?

There are some activity ideas on the National Picnic Week [website](#) for your family to join in with as you picnic.

If your favourite spot is too far away or the weather is too bad, why not have an indoor picnic instead? They can be just as much fun to plan – and eat! Check out the handy picnic guide below.

National picnic week 22-28th June

For your family picnic, choose a recipe from the BBC Good Food website and have fun making it.

Write a shopping list – what ingredients will you need?

What DT skills will you need to make it? (Choosing equipment/ cutting/ mixing/ hygiene)

<https://www.bbcgoodfood.com/recipes/collect-ion/picnic-recipes-kids>

In the News...

Log on to Espresso and watch the [Daily News here](#). Have a discussion with people in your house about what you have watched.

As this is a daily news, you can watch it all week to find out what is going on in the world! (Key stage 2 – Daily News)

PE

The Sweat Box

Can you reach Level 10 with this simple combination of exercises? Challenge yourself.

<https://youtu.be/ILpC4NaPoJY>

The PE Shed

Spanish

In Spanish this week, find out how to tell someone where you live. Find the lesson [here](#).

Science

How is sound made?

Last week we looked at sounds around us. But how is sound made? Log on to Espresso and watch the videos '[Sound around us](#)' and '[Vibrations](#)' to find out more.

Have a go at the experiment below to see the vibrations in action – you could use your balloon drum from last week.

History

Viking Runes

What are runes?

Watch the video '[The Secret Message of Viking Runestones](#)'

Using the Viking Runes attached, create your own messages for your family to decipher.

A poem about something I really love...

Here are the supporting youtube video links as the ones in the PDF's don't work:

<https://www.youtube.com/watch?v=iRBP0Zviuk0> - Jeff Dixon vs Pacman by Simon Mole

https://www.youtube.com/watch?v=Q7bmeqJ_wXM - Write an ode poem

There are lots of other videos Simon has done especially for Primary Schools – search for **Simon Mole vs National Literacy Trust** on youtube

How is Sound made...

TO DEMONSTRATE HOW SOUND IS MADE YOU WILL NEED:

- Your balloon drum from last week or containers of various sizes (empty tin cans and bowls work well)
- Chopsticks or wooden spoons to act as drumsticks
- Clingfilm and extra-large balloons for the drumskins
- Various materials to bounce on the drums (rice, flour, dried beans, marbles etc.)
- Rubber bands
- Pair of scissors

HOW TO PLAY IN 3 SIMPLE STEPS:

- 1. Make your drums.** Using the scissors, cut the end off the balloon (the part you would blow into). Now stretch the balloon over your chosen container and you're done! Instant drum. For your next drum, cut the clingfilm to fit over one of your other containers and secure with a rubber band. There! Two drums made in minutes.
- 2. Set up your experiment.** Add various items such as rice, dried beans or marbles to the top of each drum.
- 3. Play – This could get messy so try playing outside!** Now start banging those drums. When you hit the drum it makes the top vibrate which makes the sound. You can see the vibrations because the rice etc. will move. The harder you hit, the more noise it makes which means the drum will vibrate more.

NATIONAL PICNIC WEEK

Top Tips for a Picnic

#1

Preparation:

Fill up your picnic hamper with all the essentials. On the list should be, cheese and crackers, plenty of water, hand wipes for those mucky few and a blanket to keep you comfy.

Entertainment:

As well as a traditional game of frisbee or rounders to keep the kids entertained, bring some music along. For those looking to relax with a good page turner try 'The Secret Garden' by Frances Hodgson Burnett.

#2

#3

Protection:

Be sure to avoid stinging and biting bugs by packing insect repellent and bug bite cream, and remember to protect yourself against the sun's rays with suncream, sunglasses and hats for the kids.

Tidiness:

Make sure you tidy up after your fun day out. Don't leave any litter that could harm the environment or any of our furry friends who live in the park.
