Top Tips for a Picnic

#1

Preparation:

Fill up your picnic hamper with all the essentials. On the list should be, cheese and crackers, plenty of water, hand wipes for those mucky few and a blanket to keep you comfy.

Entertainment:

As well as a traditional game of frisbee or rounders to keep the kids entertained, bring some music along. For those looking to relax with a good page turner try 'The Secret Garden' by Frances Hodgson Burnett.

#2

#3

Protection:

Be sure to avoid stinging and biting bugs by packing insect repellent and bug bite cream, and remember to protect yourself against the sun's rays with suncream, sunglasses and hats for the kids.

Tidiness:

Make sure you tidy up after your fun day out. Don't leave any litter that could harm the environment or any of our furry friends who live in the park.
