### Literacy

#### Super Stories

Have you ever read a story and thought that it should be more exciting? Well now is your chance to change that. Watch a little cartoon about a dog and recount his adventures choosing interesting vocabulary to help make your sentences fun to read. Find it [here](#).

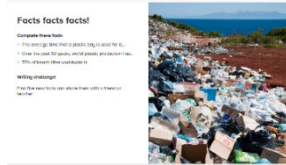

### Literacy

#### Beautiful beaches under threat!

With an adult, share the news article about the damage tourists can have on beaches [here](#).

Can you remember any of the facts from the article? Take part in the writing challenge from pg.10

### Numeracy

#### Tell time to 5 minutes

First, watch the video lesson about reading analogue clocks to the nearest 5 minutes.

[Video](#)

Then complete the worksheet writing or telling the time in words.

[Worksheet](#)

If you're feeling adventurous have a go at the game.

### Children's Art Week 29<sup>th</sup> June – 19<sup>th</sup> July Natural Wonders

#### Art and Design

Use objects that you collect from your garden, your daily walk or a day out to create collage art.

You might decide to design a pattern or symbol, or create a picture of something or someone. The possibilities are endless!

### Children's Art Week 29<sup>th</sup> June – 19<sup>th</sup> July Natural Wonders

#### Creating Art through science

Grab the following equipment:

- Felt tips or marker pens (permanent and washable)
- Paper towels/kitchen roll
- Water in a tray or washing up bowl
- Scissors

Use them to create your own rainbow paper towel art!

Click [here](#) to watch a video and read the instructions.

### Children's Art Week 29<sup>th</sup> June – 19<sup>th</sup> July Natural Wonders

Lie your hand flat on a plain piece of paper and trace around the shape. Follow the instructions below to make your hand into a 3D optical illusion!

Any colours will work, including black and white or the colours of the rainbow!

### Children's Art Week 29<sup>th</sup> June – 19<sup>th</sup> July Natural Wonders

#### Creating Art through science

You will need:

- Clear nail varnish
- A stick
- Water in a tray or washing up bowl
- Black paper or card

Fill a bowl with water. Add a few drops of clear nail varnish and swirl them around with your stick. Dip some black paper into the bowl, then take it out and leave it to dry.

Tilt the paper in the sunlight – what do you see?

Why do you think this has happened?

### Geography

#### Oceans

Learn about the five oceans of the world, ocean currents, and pollution with the Bitesize Daily Lessons.

### Wellbeing

Since the beginning of lockdown, most of us have been spending more time in front of a screen, be that a tablet, phone or television. Try out some non-screen activities that you can do at home. Choose some from the table below – how many can you complete?

### In the news...

What is going on in the world? Login to Espresso and watch the Daily News. There is a new episode every day.

Have a Chat with members of your family about what you have watched – what was your favourite news story of the day?

## Non-screen activities to try at home

**1** How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

**2** Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

**3** Get building! You could build a Lego model, a tower of playing cards or something else!

**4** Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

**5** Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

**6** Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

**7** Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

**8** Use an old sock to create a puppet. Can you put on a puppet show for someone?

**9** Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

**10** Design and make a homemade board game and play it with your family.

**11** Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

**12** Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item, you could draw a picture to include.

**13** List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

**14** Design and make an obstacle course at home or in the garden. How fast can you complete it?

**15** Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.
