Literacy

Super Stories

Have you ever read a story and thought that it should be more exciting?

Well now is your chance to change that.

Become a book editor and change verbs and adverbs to create a thrilling read.

Follow the link [here](#)

Literacy

Beautiful beaches under threat!

Read the news article about the damage tourists can have on beaches [here](#).

Can you remember any of the facts from the article? Take part in the writing challenge from pg.10

Numeracy

Data Handling

Learn about some different ways data can be shown and how to find information from the data. First, watch the video from White Rose then complete the daily lesson on BBC Bitesize.

[Video](#) [Lesson](#)

Interpret charts

Day	Dogs seen	How many dogs were seen on Wednesday?
Monday		----- dogs
Tuesday		
Wednesday		
Thursday		
Friday		

Key = 4 dogs

Numeracy

Maths Challenge

Test your problem-solving skills and challenge your family. Each one gets a bit more difficult so see how many you can complete. The answers are at the bottom of the page – no cheating!

[Family Challenge](#)

Children's Art Week 29th June – 19th July Natural Wonders

Art and Design

Use objects that you collect from your garden, your daily walk or a day out to create collage art.

You might decide to design a pattern or symbol, or create a picture of something or someone. The possibilities are endless.

Children's Art Week 29th June – 19th July Natural Wonders - Art through science

Grab the following equipment:

- Felt tips or marker pens (permanent and washable)
- Paper towels/kitchen roll
- Water in a tray or washing up bowl
- Scissors

Use them to create your own rainbow paper towel art!

Click [here](#) to watch a video and read the instructions.

Children's Art Week 29th June – 19th July Natural Wonders

Lie your hand flat on a plain piece of paper and trace around the shape. Follow the instructions below to make your hand into a 3D optical illusion!

Any colours will work, including black and white or the colours of the rainbow!

Children's Art Week 29th June – 19th July Natural Wonders - Art through science

You will need:

- Clear nail varnish
- A stick
- Water in a tray or washing up bowl
- Black paper or card

Fill a bowl with water. Add a few drops of clear nail varnish and swirl them around with your stick. Dip some black paper into the bowl, then take it out and leave it to dry.

Tilt the paper in the sunlight – what do you see? Why do you think this has happened?

Computing

I didn't know it was real money!
The internet is like the world outside.
There are ads online that try to get you to spend money. You may not think it is real money but you could be. If you aren't sure ask an adult before clicking. Watch the video to find out more.

Science

Features of Sound

Learn the basics about different features of sounds, including pitch and volume [here on BBC Bitesize.](#)

Wellbeing

Since the beginning of lockdown, most of us have been spending more time in front of a screen, be that a tablet, phone or television. Try out some non-screen activities that you can do at home. Choose some from the table below – how many can you complete?

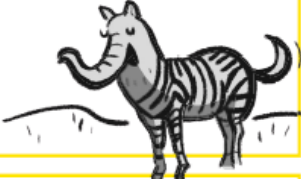

In the news...

What is going on in the world? Login to Espresso and watch the Daily News. There is a new episode every day.
Have a Chat with members of your family about what you have watched – what was your favourite news story of the day?

Wellbeing

Non-screen activities to try at home

<p>1 Get doodling! Grab some paper and pens and doodle anything you like! Animals, aliens or something else.</p> 	<p>2 Create your own animal. Could you combine two of your favourites? What will you call it?</p> 	<p>3 Design and draw a new musical instrument. How would you play it and what will it sound like?</p> 	<p>4 Make up your own 5 minute exercise routine. What will you include?</p> 	<p>5 Can you make up your own jokes? Tell them to someone to make them laugh!</p> 
<p>6 Make some jewellery. Use anything you can find around the house. Strips of wrapping paper or rolled up magazines make great beads!</p>	<p>7 Paper aeroplane challenge! Make a paper aeroplane and see how far you can fly it! Can you make a target and try to aim for it?</p>	<p>8 Fingerprint art! Use only your fingertips and paint to create a picture.</p> 	<p>9 Make a bookmark to use when you're reading.</p> 	<p>10 Make some wild art using sticks, leaves, flowers and anything else you can find outdoors.</p> 
<p>11 Quick draw! Set a 1 minute timer, draw a quick doodle and see if the other person can guess what it is before the time is up.</p>	<p>12 Write a silly sentence that includes all of these words... BANANA, CURTAIN, DOLPHIN, SNOW and BALLOON. Now think of your own words and write some more!</p>	<p>13 How many different words can you make from the letters in this sentence?</p> <div style="border: 1px solid black; border-radius: 15px; padding: 5px; text-align: center;"> <p>Keeping my brain busy is fun</p> </div>	<p>14 Ping pong story telling! Write the opening sentence to a story, then someone else writes the next line. Then it's your turn again! Keep alternating until you have a full story.</p>	<p>15 Guess the character! Think of a character from a book, write it down so no-one can see. Have others ask you questions to try and guess which character you chose.</p>
