

## Homework Grid – Year 1 – Autumn 2

### English:

Practise reading and spelling your red words  
Remember to read regularly at home. Try at least 3 times a week  
Practise your RWI speed sounds (to be sent home regularly on Class Dojo)

### Maths:

Count forwards and backwards to 20  
Find one more and one less than any given number to 20  
Practise numeral writing 0-9  
Number bonds to 10 - practise finding different ways to make 10 (i.e.  $5+5=10$ ,  $3+7=10$ )

### I am an Global Goals explorer:

Read through the attached PDF document introducing the Global Goals Characters (we have learnt about these characters in school during our launch day on 6<sup>th</sup> November).

Think about:

- Which is your favourite Global Goals character and why?
- Which character are you most like?

Text your thoughts and ideas through Class Dojo.

### I am a sound effect scientist:

Watch Cara and Martin as they experiment with making sound effects:

<https://www.bbc.co.uk/bitesize/topics/Zk86qfr/articles/Zk7wr2p>

Record yourself making three different sounds using everyday objects around your house - don't show us on the video what you have used - we will try to guess what is making the sound as a Class!

### I am a mathematician:

Watch the song

<https://www.youtube.com/watch?v=M6Efzu2slaI>

Copy out these pairs of numbers and add the crocodile's mouth in between.  
You need to think about: which number is greater than, less than. Or if the two numbers are equal.

7 <input style="width: 20px; height: 20px;" type="text"/> 3	0 <input style="width: 20px; height: 20px;" type="text"/> 4	6 <input style="width: 20px; height: 20px;" type="text"/> 6	5 <input style="width: 20px; height: 20px;" type="text"/> 9
---	---	---	---

### I am a phonics whizz:

Visit <https://www.phonicsplay.co.uk/resources>  
The games pictured below are all free to play. Have fun practising blending and sorting real and fake words.

### I am mindful:

Log into Zumos.

Use the icons below to try out each of the different chill room spaces. Practise your breathing while you watch the videos. (Use 'me time minutes' to remind yourself how).

Try doing one chill room each night. Which one is your favourite? Why? Draw us a picture or text your response through Class Dojo.

### I am kind:

Christmas is just around the corner! This year, think about how you could give the gift of kindness.

You do not need to spend any money on this – kindness can be shown in many small, but special ways. Think about who you want to show some kindness to – you might choose a friend or family member, and elderly person, someone who lives alone or an animal.

You can choose how to show or tell us about your Christmas act of kindness.

### I am an inventor:

If you could invent a brand new toy, what would it be?

Draw a picture of your invention and add labels to explain the different parts. What makes it special, new or different?

### I am an artist:

Create a firework display picture! Be as creative as you can be – send us a picture over Class Dojo so we can share your work as a Class.

### I am a reader:

Enjoy sharing your Care and Share book with someone at home. Send a video of you retelling the story using the pictures to help. If you have a fact book, you could tell us some of the interesting things you have noticed or learnt.
