Don't forget to log in to Zumos and explore the chill room.

I am a researcher:

Find out ten fascinating facts about hurricanes or tsunamis. Record these as a fact file.

I am a geographer:

I can list at least 5 active volcanoes and their locations in the world. I will draw the flag of their country and name their capital city and which continent they are on.

I am a designer maker :

Design and make a safety shelter for a natural disaster

I am a writer:

Write a weather report for a particular day of your choice explaining the weather from morning to evening.

I am an artist:

Draw and colour a picture of a famous volcano involved in a natural disaster.

Watch this [video](#) to help draw an active volcano.
